

IOLTA Eligible Financial Institutions

To comply with Montana’s [Rule 1.18](#) governing mandatory IOLTA accounts, every attorney with an active license to practice law in Montana must complete an IOLTA Compliance Certification annually. To certify, attorneys must verify that they have a current IOLTA account with an eligible bank holding client funds or that they do not need an IOLTA account for various reasons identified by Rule 1.18.

A list of all financial institutions offering IOLTA accounts and meeting this Rule’s IOLTA depository qualifying requirements are listed below:
